Leave no trace principle applies so be green and sustainable, public bins are located on the route and please reuse your water bottles on the water points on the route to cut down on waste.

Disclaimer: All of the recommended route is undertaken at the participants own risk and personal care and assessment should be taken to avoid any injury. Wear adequate high visibility clothing, sturdy footwear and adhere to the normal rules of road for pedestrians when on the public routes.

Dogs are permitted on the public roads, but due to the area being heavily populated with both livestock and other wild animals it is mandatory to keep them on leads.
